DEARIE, District Judge.

On September 1, 2005, Magistrate Judge Marilyn D. Go issued a report, recommending that plaintiffs' motion for entry of default against defendant Dr. O. Peter Obafemi be granted in the two cases in which he has been served: Anyoku v. World Airways, 04-CV-304, and James v. World Airways, 04-CV-514.

The Court has received no objection from defendant Obafemi. By letter dated September 12, 2005, defendant World Airways objects to Magistrate Judge Go's recommendation, arguing that "it is prudent to withhold the entry of a default judgment against any defendant until any claims against co-defendants alleged to be in privity have been resolved." In the alternative, World Airways requests clarification that the default judgment "will in no way prejudice or serve as an estoppel against World."

The Court adopts Magistrate Judge Go's report and recommendation in its entirety and grants default judgment against Mr. Obafemi.

SO ORDERED.
